

Important Memo: School Play

Dear Parents,

We are excited to announce our school play is coming up on June 19, 20, & 21! The play is an exciting time every year, where children get to dress in costumes & perform for their parents. We are giving you all of the information early so that you and your families can make every effort to attend this important event in June!

This year, our play is entitled: "All-Star Ruckus" and it is based on the book "The Princess and the Pony" by Kate Beaton. The plot revolves around a princess who wants to be a great warrior but instead of buying her a warrior horse her parents buy her an adorable pony who isn't much good at being a warrior horse.

This memo will outline:

- 1) The night your child is scheduled to perform
- 2) Sweater Drive
- 3) What your child's costume is

In the future, we will send information home about ticket ordering.

Thanks for the continued support of our school district's artistic programming!

Sincerely,

Lucas Teodoro da Silva

PLAY SCHEDULE

Please ensure your child is able to make an evening performance! Performing in a school play is a life-long memory. If your child is unable to make their assigned night, they are welcome to perform with their equivalent grade level in the other cast. We will be sending home a second notice on this topic in a month, at which time you may order tickets and inform your teacher if you need to switch nights.

SWEATER DRIVE!

A major part of the plot this year involves all our main characters wearing cozy sweaters! In order to accomplish this, we will need lots of sweaters!

If you have an old sweater at home that you no longer wear and you wish to donate it to our play, **please send it to the school** to Mr. TdS. These sweaters will be turned into art projects so you will not receive them back! Thank you for anything you can send!

COSTUMES

AZAD/SPRACKLIN/LUDU/ALLCOCK/COOPER

COSTUME: These kids will be dressed as “horses”. Students will need Dark Pants and Dark Shirts, preferably black and with as few logos as possible. The school will provide additional pieces.

USSELMAN/LIM/BELLIVEAU/KIRKPATRICK/BOLOGNESE

COSTUME: These kids will be dressed as “warriors”. *The warriors in this play aren't too serious* (ie. Weapons and skulls and blood etc are not allowed).

Costumes will be much more wacky and each have a unique “gimmick” ... more like corny professional wrestlers or silly musketeers. Kids are encouraged to create a costume and bring it to school. They can draw from costumes they already have (or animal costumes or hoodies they own, etc) to make their “gimmick” come to life. I have limited supplies of things like Hats, helmets and wigs for kids to use. Teachers will spend some time this month brainstorming costumes with students.

WILKE/NICYFOR

COSTUME: These kids will be dressed as “fans”. *They are the fans of the warriors.* They should wear BRIGHTLY COLOURED CLOTHING with as few GIANT LOGOS as possible. Neons and oranges and pinks and whites are encouraged. Wear ballcaps, foam fingers etc.
